

West Shore Sail Club
Boat of the Year Qualifications

Organizing Authority:
West Shore Sail Club (WSSC)

West Shore Sail Club (WSSC) will award Boat of the Year (BOTY) trophies to both the WSSC yachts in the PHRF Spinnaker and Jib and Main (JAM) race classes which accumulate the best point record over a defined number of races. The best point record will be determined using the Cox-Sprague scoring system.

All WSSC members that race are encouraged to complete and submit the WSSC BOTY submission form to be considered for one of the BOTY awards presented at the WSSC Commodore's Ball. To be considered for a year's BOTY award, all candidates must submit an entry form listing their best finishes in races they participated, the number of competitors in those races, and the place they finished.

All requesting consideration must submit this form to the current Commodore by January 31 of the year following the racing season.
